

RFP #13-010-21, Emergency Ambulance Services

EXHIBIT “A”

Option 1

The Contractor shall provide a proposed cost for the following model:

This will be a Performance Based Response Agreement for providing Advanced Life Support (ALS) Coverage consisting of a minimum of fourteen (14) Emergency Ambulances and adequate management and staffing to support the operation. This will consist of a twenty four (24) hours a day, seven (7) days a week operation.

ALS Coverage will consist of providing (911) Ambulance Responses, Treatment and Transport to the citizens of Shelby County, Tennessee. Response areas will include the following:

1. Unincorporated areas of Shelby County, Tennessee
2. City of Germantown, Tennessee
3. Town of Collierville, Tennessee
4. City of Lakeland, Tennessee
5. Town of Arlington, Tennessee
6. City of Millington, Tennessee

These areas include approximately 470 square miles and a population of approximately 236,400 people. There are twelve (12) medical hospitals in the Shelby County area; one is a level one trauma center, and one is a comprehensive children's hospital.

The EMS System responded to 12,945 calls in 2011.

This would require a minimal number of fourteen (14) full time (ALS) ambulances with an additional three (3) reserve ambulances.
